

Child Care for Teachers

As a professional courtesy, we offer a special rate for teachers with children in our care. Please note the following stipulations to qualify for this rate:

- 1. You will be required to sign an enrollment care contract at the beginning of school term.**
- 2. If your child is enrolled for over 50% of the summer session, no additional space holding fee is required.**
- 3. Care is applied to working hours; meaning the schedule of your district, will be the schedule of provided care. School holidays, snow days and early dismissals are included in this guideline.**
- 4. To hold space for the coming school year, please refer to the care contract for your rates. Please note: All summer days/half days must be scheduled in advance.**
- 5. As a reminder, half days are four hours; full days are 8. Additional fees will apply, as per our Late Fees policy, outlined in the handbook.**
